

### Master's Message

Brethren,

The Lodge and its networks have undergone some updates that are new and exciting. Thanks are in order for Brothers Dave and Taylor Olmstead who worked hard to give our Lodge a new and updated look. Please go to [www.jbcovertlodge.com](http://www.jbcovertlodge.com) and check out the hard work that went into making this a valuable tool for our Lodge and Freemasonry. Explore our new website, Facebook page [www.facebook.com/jbcovert](http://www.facebook.com/jbcovert) and follow us on twitter for easy access on up to the minute activities going on in our Lodge.

### Master's Message: *New Roof To Be Installed*

After many years of waiting our Lodge will be fitted with a new roof. As many Brethren know, our roof has been declining rapidly over the last several years. Our insurance company believes recent storm damage has placed us into a position to receive that new roof we have been waiting for patiently. This is great news for our Lodge as not only will we be receiving our new roof, but it will come at a fraction of the initial estimate of cost, saving our Lodge in more ways than one. Many thanks go to the Brethren who worked diligently to make it possible to receive our new roof.

### Flu Season

As many of you know the flu season is upon us and it's one of the worst flu seasons in years. For those of us who have not come in contact with the flu this season be careful. For those who have experienced the flu already we will continue to pray for a speedy recovery, and will continue to keep you and your families in our prayers.
